# Class of 2022

# Personals

Traditionally, family & friends have purchased “personals” for seniors. These personals appear in the yearbook with messages directed to and, quite often, photos of seniors.

You may personalize your message with your own words and submit as many photos as you wish. Keep in mind, however, that there are space limitations. For example, a 1/16 page cannot hold more than 1 photo. The yearbook staff will design your ad and return your original photos unless you provide your own design via email.

The staff must receive either your ad design ready for print or your message and photos to be designed with this order form and payment. If you prefer to email the photos, send them to **droberts@gws.k12.in.us** Your order will not be processed; however, until the form and payment are received, and we will not hold available spots for orders missing payment.
