## Common Questions

### 1. Aren't yearbooks geared toward seniors?

Our yearbook cover each class fairly equally as well as clubs, athletics, academics, and general student life. Most students graduate with four separate yearbooks covering their four years of high school.

### 2. Why order now? Can't I wait until they are distributed?

Usually, the yearbook staff orders 20 extra copies to sell at distribution, and we always end up turning students away. Please place your order so you don't miss out. Once the last book is sold, that's it. We cannot order more.
